Tajplast® জীবনের সাথে জুড়ে থাকে

We are grateful that you took your valuable time to check us out.

Tajplast is one of India's leading plastoware brand who takes care of your household needs.

Almost two decades ago an entrepreneur with a vision, along with his dedicated acquaintances began the journey from the prosperous soil of Bengal.

Today our products are widely present in various homes providing stiff competition to cheap foreign products.

We believe in quality. So, we follow a strict no compromise policy and use superior dye making craftsmanship along with pure virgin plastic to deliver you a wide range of durable quality plastoware products.

Tajplast products are committed to make your homemaking easier, tidier and convenient.

NOTE: Designs, sizes and colours of the products are subject to change without prior notice. Products shown in this catalogue is used for representation purpose only. Colours may slightly differ in actual products. Polymer glazed colour can't be accurately represented in digital media.
